DJH

Make a Corporate Statement!

DJH is one of the leading suppliers of exclusive corporate giftware and promotional products in prestigious Pewter. We will create for you the perfect gift for Promotions, Product Launch, Exhibition Give-Aways, Celebrations, Anniversaries, Incentives and Awards.

We specialise in totally bespoke design and manufacture from concept to finished piece. We start with your requirement and take care of everything from production to personalisation and

packaging. We can offer you a first class service, total confidentiality, flexibility, competitive pricing and quick turnarounds. Volumes range from 100s to over a Million in a single order.

All our products are meticulously crafted, controlled and manufactured in our purpose-built factory in the UK. We have a highly-skilled workforce, state-of-the art multi-station casting equipment; we use the highest grade materials including lead-free pewter and have over 30 years experience of meeting our customers' needs!

Our services include:

- CAD for concept and visuals
- Tool / Model-making
- Mould Making (up to 490mm dia.)
- Quality Casting – we are the leading Centrifugal Pewter Caster in UK
- Assembly
- Metal finishing – antique or polish
- Plating – including precious plate
- Painting and Decals
- Packaging (embossed or printed to your specification)
- Warehousing and fulfilment
- Exporting Worldwide

Make a Lasting Impression!

We can utilise appropriate free-issue masters or work from sketches, CAD drawings, photos etc to make the 'master' in-house. Our castings are second to none and we also undertake volume Contract-Casting for the whole Pewter Industry. Our standard lead-times are 4-6 weeks but we do regularly accommodate last-minute orders depending on our current workload.

Pewter can be painted or plated but our most popular finish is either antiqued or polished to highlight the natural beauty of the material, which is the 4th most precious metal in common useage after gold, silver and platinum. We can also combine pewter with other materials eg wood, glass,

marble, crystals and Perspex. Models can be free-standing or mounted on a plinth with plaque for legend and logo if desired. Encapsulation or a presentation case are further options available to finish the model.

Our reputation for excellence is evidenced by long-standing relationships with many Industry top names. Some of our satisfied clients include Renault, Mercedes-Benz, Lotus, BAe, Airbus, Eurofighter, Bombardier, Hasbro, Lakeland, The Post Office, Tate Modern and many more. We also supply Promotional Agents, Museums, Heritage-Sites, Gift shops and Mail Order Companies worldwide.
